EXECUTIVE PROFILE

Commercial professional with 7+ years across banking, financial services and payments fintech. I combine financial judgment with end-to-end B2B sales execution: prospecting, discovery, solution structuring, negotiation, closing, onboarding and account development. At Bold, I delivered six consecutive periods above quota; at Santander, I built a portfolio from zero to 170 clients and COP 900M in cumulative placement while maintaining controlled delinquency.

7+ YEARS	170	COP 900M	180%

PROFESSIONAL EXPERIENCE

Bold - Payments Fintech | Pereira, Colombia

Executive Sales Professional (May-Sep 2026) | HUBS Sales Executive (Oct 2025-May 2026)

- Six consecutive periods above quota (Feb-Jul 2026): **123%, 122%, 163%, 116%, 180% and 115%**; commercial target centered on new merchants and monthly TPV.
- Managed the full B2B sales cycle for payment solutions: prospecting, discovery, solution structuring, negotiation, close, onboarding and account development.
- Developed SMB and selected enterprise opportunities; managed merchants processing **COP 300M+** in monthly TPV, including one account near **COP 500M/month**.
- Connected customer needs in collections, cash flow and operating efficiency with POS, QR, payment-link and digital payment solutions.
- Supported 7 new sales executives in field prospecting, presentation and early-stage closing.

Banco AV Villas | Pereira, Colombia

Financial Analyst | Sep 2023-Oct 2025

- Delivered **120+ financial diagnostics** for micro, small and family businesses, identifying financial strengths, risks and growth opportunities.
- Assessed and approved credit across the bank's portfolio and contributed to commercial management of a branch with **COP 27B+** in assets/portfolio.
- Combined financial analysis, consultative selling and relationship development across credit, savings and investment solutions.

Banco Santander Colombia | Pereira, Colombia

Credit Analyst | Sep 2022-Sep 2023

- Built a customer portfolio from zero to **170 new clients in 13 months** and **COP 900M** in cumulative placement.
- Averaged **26 credits per month** while maintaining delinquency in the **4-6%** range.
- Used territorial prospecting and business/financial analysis to turn field opportunities into structured credit solutions.

Banco W | Pereira, Colombia

Financial Analyst | Jan 2019-Aug 2022

- Prospected and originated microcredit in urban and peri-urban markets, balancing acquisition, portfolio quality, collection and retention.
- Evaluated credit risk for customers with limited banking history and built direct relationships with entrepreneurs and independent business owners.
